The **Al Shaqab & Qatar International Adventures** welcome you to enjoy 5 amazing days in Qatar. In Doha we follow five simple rules: Our clients come first; we keep our commitments; we are creative, detail orientated and quality conscious; we seek positive solutions; and we enjoy what we do.

As one of the fastest developing countries in the Middle East, we are pleased to provide you our services offering you the chance to gain an insight into the spices and diversity of Arab culture, hospitality and history!

Al Shaqab stands as an enduring tribute to Arabian horse and the tradition of equestrian excellence that has co-evolved with this breed in Qatar.

The range of equine disciplines and programs at Al Shaqab ensures that the cultural legacy and appreciation of the Arabian breed meets modern day equestrian arts in Stud, the Equine Education Centre, the Endurance Team, and also at the soon to be opened Veterinary Clinic. The Variety and values of the sport are also promoted by hosting major international competitions like the yearly CHI AL SHAQAB.
